Add Activity

The wireframe shows a mobile app screen titled "Add Activity/Task" with a "Save" button. At the top, there are two toggle switches: "Activity" (turned off) and "Task" (turned on). Below these are two more toggle switches: "Group" (turned on) and "Individual" (turned off). The "Details" section contains several fields: "Subject", "Type" (with a chevron), "Topic" (with a chevron), "Macro Sector" (with a chevron), "Mid Industry" (with a chevron), and "Micro Sector" (with a chevron). Below these are "Symbol" (with a chevron), a "Starts/Ends/Time Zone" section (with a chevron), "Location" (with a chevron), and a "Notes" text area. At the bottom, there are three sections: "External Participants" with a plus icon, "Internal Participants" with a plus icon, and "Alert Recipients" with a plus icon.

The wireframe shows an iPhone screen with a status bar at the top displaying signal strength, the time 12:30 PM, and battery level. Below the status bar is a navigation bar with a 'Settings' button on the left and the title 'App Feedback'. The main content area starts with the question 'How would you rate your experience?' followed by five star icons, the first four of which are filled. Below this is a section titled 'Detailed Feedback' with a paragraph of text: 'Please let us know of any features that you would like to see in the mobile product as well as your overall experience.' This is followed by four text input fields labeled 'Name', 'Company', 'Phone', and 'Email', and a larger text area labeled 'Questions or Comments'. At the bottom of the screen is a large 'Submit' button.
